Information on the results of the competition, together with the rationale, in accordance with Article 119(3) of the Act of July 20, 2018, on Higher Education and Science (Journal of Laws of 2024, Item 1571)

COMPETITION FOR THE POSITION OF:	Assistant Professor (M/F) or Assistant Researcher (M/F
HIRING UNIT:	Centre for Organic and Nanohybrid Electronics (CONE)
DATE OF COMPETITION ANNOUNCEMENT:	10.09.2026
DEADLINE FOR SUBMITTING APPLICATIONS:	25.09.2026
DECISION DATE:	07.10.2026
NUMBER OF APPLICATIONS:	43
NUMBER OF ELIGIBLE APPLICATIONS:	17
SUCCESSFUL CANDIDATEs:	2 (**Dr. Yadagiri Bommaramoni** and **Dr. Priyanka Adhikari**)

JUSTIFICATION:

Initial qualification procedure was done by the Committee Chairman Prof. Igor Perepichka, to whom all applications were submitted. From the candidates whose applications contained full required set of documents and who were eligible for the position according to the "Qualifications & Prerequisites" criteria listed in the position announcement, four most suitable candidates were shortlisted and invited for an interview. In consideration of their application, their skills in the field related to the project, journal publications (including journal reputation, order of the candidate in the co-authors' list, science quality etc), achievements and expertise in other subjects have been considered. The shortlisted candidates have been interviewed by the Committee via online using ZOOM platform. The interviews included presentations by candidates on their career development, gained skills and achievements in research (~10 min) following the questions from the Committee members to evaluate their qualification and suitability for the project. **Dr. Yadagiri Bommaramoni** satisfies all the criteria (he has 32 publications in the area of the project (1st author in 15 articles). **Dr. Priyanka Adhikari**) has strong skills in organic synthesis and during interview showed excellent background knowledge in chemistry and skills in modern organic synthesis, as well as expertise in related fields (spectroscopy, computational chemistry).

Chairperson of the competition committee

Prof. Igor Perepichka
