## DISCIPLINE COUNCIL OF MATERIALS ENGINEERING

### ANNOUNCEMENT

The Discipline Council of Materials Engineering at the Silesian University of Technology hereby announces that the public defense of the doctoral dissertation by **Amjad Iqbal, MSc Eng.** will be held on **March 25, 2026 at 11:00 a.m.** at the Faculty of Materials Engineering and Digitalisation of Industry,

Dean's Council Room no.1002

(on the first floor of the Faculty's main building)

**8 Krasieńskiego Street, Katowice, Poland**

#### Dissertation Title

Characterization of destruction processes in two-phase thermal barrier coatings – model investigations in conditions of high-temperature oxidation and corrosion in liquid salts deposits

#### Supervisors

Grzegorz Moskal, DSc, Eng., Professor of SUT

Albano Cavaleiro, Professor, University of Coimbra

#### Reviewers

Maciej Sitarz, Professor, AGH University of Science and Technology

Leszek Łatka, DSc, Eng., Professor, Wrocław University of Science and Technology

Amirhossein Pakseresht, Associate Professor, University of Trenčín

The doctoral dissertation and the reviewers' reports are available for consultation at the Reading Room of the Main Library of the Silesian University of Technology, 23 Kaszubska Street, Gliwice, Poland.

Detailed information regarding the defense, reviews, and abstract of the dissertation is available on the official website of the Discipline Council of Materials Engineering.

Chair of the Disciplinary Council  
Materials Engineering  
Silesian University of Technology  
Prof. Adam Grajcar, PhD, Eng.
